Kate said it is a significant role with lots of responsibility. The churchwarden makes Kate's job much easier as they oversee the church life. Thank you to Alison and Alan and also to Erica who has now moved.

9. **Annual Report on the proceedings of the PCC and the activities of the Parish:**

This honours a lot of work by a lot of people and definitely worth reading. Highlights include Dan's leaving gift of the Hubb Church website, Café Church, a confirmation course, employment of Angela (FLW) and Celia (Anna Chaplaincy), Governance review, monthly prayer meetings, the new pattern of worship in Studley, Sue Johnson's progress with safeguarding, forest church and Mini Fest. On Sunday 21<sup>st</sup> May there is a special service in Studley at 10am for 'Thy Kingdom Come' to particularly pray for Celia and Angela, and Angela's new involvement with Mappleborough Green school. Alan Greathead said it goes to show just how much outreach is happening and we are not just church focussed.

10. **Financial Report and appointment of Independent examiner:**

Simon Billingham was proposed to continue as the Independent Examiner by Pat Smith, all in favour. Pat Smith described Simon's background as the Head of Finance at Spring Housing Association, which is a large charity helping the homeless, ex-offenders, refugees and those in poverty find suitable and affordable housing.

The accounts were approved by the PCC on 15<sup>th</sup> February 2023 and signed by the Independent Examiner.

Proposal : to adopt the Parish of Studley with Mappleborough Green Accounts for the Year Ended 31st December 2022 - proposed by Diane Pannell, seconded by Mike Moffat, all in favour. Thanks to Simon and Pat for all their work.

The bottom line was that the PCC overall broke even. Studley made a small profit, but we are not to be complacent, and MG made a small loss which we shouldn't be despondent about,

Studley received a legacy of £100,000 at the end of the year, which is for church maintenance only, but this frees up other funds which can now be used for other things. Kate liked the graphs showing average giving included in the financial reports
